These Upgrade Licenses are for customers who have previously licensed the software.

For customers who have not previously licensed the software, we have a different file that lists New License prices. It is available on the 'Pricing & Ordering' page of our web site.

Information on how to select the right license for your company can be found on our web site at http://www.electrc.net/license_info.html

If you need a multi user license other than what is listed below, we can provide a custom license. Please contact us.
